**Re: Final Compliance and Outcome Assessment Quarterly Report: Quarter 1 Updates & Analysis**

Dear U.S. Department of Justice and City of Portland:

On behalf of the entire Compliance Officer and Community Liaison (COCL) team, I am pleased to submit the attached final *Compliance and Outcome Assessment Quarterly Report: Quarter 1 Updates & Analysis*, pursuant to the Amended Settlement Agreement, Case No. 3:12-cv-02265-SI, between the United States Department of Justice and the City of Portland, Oregon, entered April 29, 2022.

We thank community members for taking the time to review and comment on the report. A copy of this report will be posted on the COCL's website, [www.portlandcocl.com](http://www.portlandcocl.com) and sent to the Settlement Agreement Updates email list.

This is the last report prepared by the COCL team under Rosenbaum & Associates, LLP. I am retiring from this work and Dr. Thomas Christoff, who has been involved in this Settlement Agreement from the start, has replaced me as the Compliance Officer. He is supported by an excellent team of subject matter experts at CNA. I can assure the Department of Justice, the City of Portland, and the community of Portland that Dr. Christoff will do an excellent job serving as the Compliance Officer, calling "balls and strikes" without bias.

I encourage every interested stakeholder in Portland to work collaboratively to achieve the requirements of the Settlement Agreement and introduce reforms that will allow the Portland Police Bureau to serve a national model of community policing and constitutional policing in the 21st century.

Sincerely,

A handwritten signature in black ink, appearing to read "Dennis P. Rosenbaum", followed by a long horizontal flourish.

Dennis P. Rosenbaum, Ph.D.
